The 2018 Bernon Bécot is fruity and fun young red with medium body, firm Tannins and a fresh and bright finish. Attractive center palate.

Pourpre violacé. Le bouquet de Bernon Bécot se révèle lentement.

Il a besoin d'un peu d'air pour pouvoir révéler des notes de fèves de cacao et de réglisse.

Caractère équilibré en bouche avec des tannins bien intégrés et une structure rafraichissante qui soutient l'expression aromatique.

Finale fuitée. Un vin qui a du caractère, de la tension et que l'on pourra apprécier dans sa jeunesse, sans se presser toutefois car il dispose d'un bon potentiel. 2022/2033

### **JEB DUNNUCK**

**BERNON BÉCOT 2018** by Jeb Dunnuck – January 2019 - 90-92/100

From the same team as Roc de Bécot team, the 2018 château Bernon Bécot 2018 is another deeply colored effort that's loaded with fruit and texture.

Cassis, graphite, and damp earth notes give way to a ripe, sexy, medium-to full-bodied 2018 that has no hard edges, solid purity of fruit, and an impeccably balanced style.

Both the releases are terrific.

I suspect a terrific value, the 2018 château Bernon Bécot shows the quality of this great vintage with it's up-front, spicy red and black fruits as well notes of tobacco, cedar pencil, and a touch of dried flowers. Rich and mouth-filling, it has ripe tannins and loads character. Drink it over the coming 7-8 years.

Aromas of wild blackberry, pine, dried lavender, tobacco leaf and bitter chocolate. Walnut husk, too. It's medium-to full-bodied, with firm, creamy tannins. Drink or hold.
